Memo No. **1162-1168/** Unapproved colonies

Dated: **17.11.2025**

Sub: Regarding release of electricity connections in unapproved/ unauthorized colonies.

PSPCL has been releasing electricity connections to the applicants in unapproved/unauthorized colonies only after submission of the required document/approval i.e. NOC / Regularization Certificate / Approved Building Plan (all these documents are to be issued by the competent authority i.e. MC or GMADA/GLADA/JDA/ADA/PDA/BDA etc.) by the applicants inline with the instructions issued vide memo no. 304-310 dated 17.03.2023. However, it has been observed that after execution of the sale deed/registry of the plots, many individual plot-owners proceed to construct houses/buildings without obtaining any such document/approval from the competent authority. These applicants thereafter approach PSPCL for release of electricity connections, which PSPCL is not able to release due to non-availability of such documents/approvals from other departments of Govt. of Punjab.

PSPCL being a commercial organization and having obligation to ensure electricity supply, the matter has been considered by the competent authority and it has been decided to issue following instructions in this regard:-

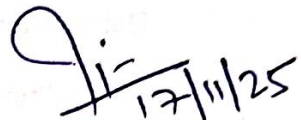

1. Electricity supply connection under relevant tariff category to the applicant of unapproved/unauthorized colonies shall be released as per the applicable provisions of Supply Code-2024 subject to furnishing of an undertaking by the applicant that his electric connection is liable to be disconnected, if the premises is subsequently declared illegal or unauthorized by the State Govt. or any appropriate authority.
2. An amount equal to Service Connection Charges as security to cover dismantlement charges shall be paid by such applicant in addition to all the normal applicable charges payable as per Supply Code-2024 approved by the Commission. However, at the time of dismantlement surplus amount, if any, would be refundable.

ji-

3. All other terms and conditions as applicable to relevant tariff category of consumers shall also be applicable for these consumers.

Further the earlier issued instructions vide memo no. 304-310 dated 17.03.2023 are hereby superseded. Meticulous compliance of these instructions must be ensured.

This issues with the approval of competent authority.
